Environmental Three Minute Thesis Competition

Welsh PhD Research Communication Challenge

What is 3MT[®]?

3MT is an academic research communication competition developed by The University of Queensland, Australia, in which PhD students have three minutes to communicate their research findings to a non-specialist audience.

We are inviting PhD students from across our partner universities and research organisations to present.

<https://epwales.org.uk/events/environmental-three-minute-thesis-competition-3mt/>
