

Cardiff University Career Mentoring

Are you interested in volunteering on a rewarding programme supporting the next generation of professionals in your sector?

Do you want the opportunity to share your knowledge, skills and experience for the benefit of a young person?

“The programme made me reflect on how I got to where I am and having my mentee’s enthusiasm and feedback was really motivating and inspiring. Young new ideas helped me think about things differently and reinforced my love of mentoring those who are early on in their careers.”

Mentor 2023 / 2024 Programme

We’re looking for professionals to support our students to gain valuable information, advice and insights that help them build confidence in their career choices.

The programme is an opportunity for you to:

- Develop advice, guidance, communication and leadership skills
- Gain a new perspectives and ideas from young people looking to enter your sector
- Reflect on your own career journey and recognise your achievements
