## Understanding Sandals Resorts Payment Policy

Sandals Resorts operates on a structured payment system designed to make booking flexible while ensuring reservations are secured early. The payment process typically includes:

- Final payment deadline
- Optional add-ons and extras

Unlike many hotel chains, Sandals follows an **all-inclusive pricing model**, meaning most costs are bundled upfront.

To secure a reservation at Sandals: ☐||+1→866→284→3014

- A **minimum \$400 deposit per room** is required
- In some cases, an **initial payment of \$98** is charged upfront

This staged deposit structure allows travelers to confirm bookings without paying the full amount immediately.

Certain luxury accommodations require higher deposits:

- Overwater villas/bungalows: **\$2,500 non-refundable deposit**
- Select suites and villas: **\$1,000 non-refundable deposit**
