## Understanding Sandals Resorts Weather Policy

Sandals Resorts operate in regions prone to tropical storms and hurricanes, particularly in the Caribbean hurricane season, which typically runs from **June 1 to November 30**. To protect travelers, Sandals Resorts has implemented a **comprehensive weather protection policy**, allowing guests flexibility and peace of mind.

### Key Elements of the Policy:

- Hurricane Guarantee**
    - Sandals Resorts offers a **Hurricane Guarantee**, which ensures guests can rebook their vacation if a hurricane affects their travel destination.
    - Guests whose travel dates coincide with a hurricane or tropical storm declaration by the **National Hurricane Center (NHC)** are eligible for this guarantee.
  - Travel Protection** ☐ ||+1---866---284---3014
    - If a hurricane prevents you from traveling or disrupts your stay, Sandals Resorts provides options to **reschedule your vacation** without penalties.
    - Travel protection applies to both resort stays and flights booked through Sandals' partners. ☐ ||+1---866---284---3014
  - Rebooking and Refund Options**
    - Guests impacted by severe weather can **rebook for a future date** within a specified timeframe, often up to 12 months.
    - In certain cases, **full refunds** are available if rebooking is not feasible.
  - Communication Protocol**
    - Sandals Resorts prioritizes **proactive communication**. Guests are informed immediately of any potential weather disruptions via email or phone.
    - The resort also offers access to **live assistance** for urgent queries at **1-866-284-3014**.
- 

## How Sandals Resorts Handles Hurricane Disruptions

Sandals Resorts has a **well-structured protocol** for dealing with hurricanes:

- **Pre-Storm Measures:** Guests are provided detailed information about storm preparedness, safety procedures, and emergency contacts. ☐||+1---866---284---3014
- **During the Storm:** Resort staff ensure guest safety, provide updates, and offer assistance for changing travel plans.
- **Post-Storm:** Resorts assess property safety, communicate reopening schedules, and assist guests in rescheduling or refunds.

This robust approach ensures guests feel **secure and informed**, regardless of weather conditions.
